A Sydenham Sportsmen's Association Derby

Net proceeds towards fisheries enhancement of Owen Sound and its Tributaries

Welcome from the Derby Co-Chairs

The timing of the Owen Sound Salmon Spectacular occurs later than usual this year. It happens every now and then, according to the calendar. We often hear half-heartedly, how the fishing was better after the derby – so maybe we can trick the fish this year. This is the second winter in a row that Georgian Bay has been frozen over and you would think that the water levels would at least be maintained. How all this will affect fishing during the derby, we can only wait and see.

Although we are no longer seeing the mighty weights of 30 lb plus salmon of past years coming into the weigh station, we are pleased to observe that the fish are continuing to look healthy with winning weights on the increase and that a prize fish can be caught from the depths of the bay or off the harbour wall.

Fishing, fantastic prize packages, free entertainment, fun for the whole family; it's all here again and made possible thanks to the generous consideration of all those sponsors you see listed in our magazine. These sponsors are your neighbours and friends that work hard to support our community and in turn deserve your support.

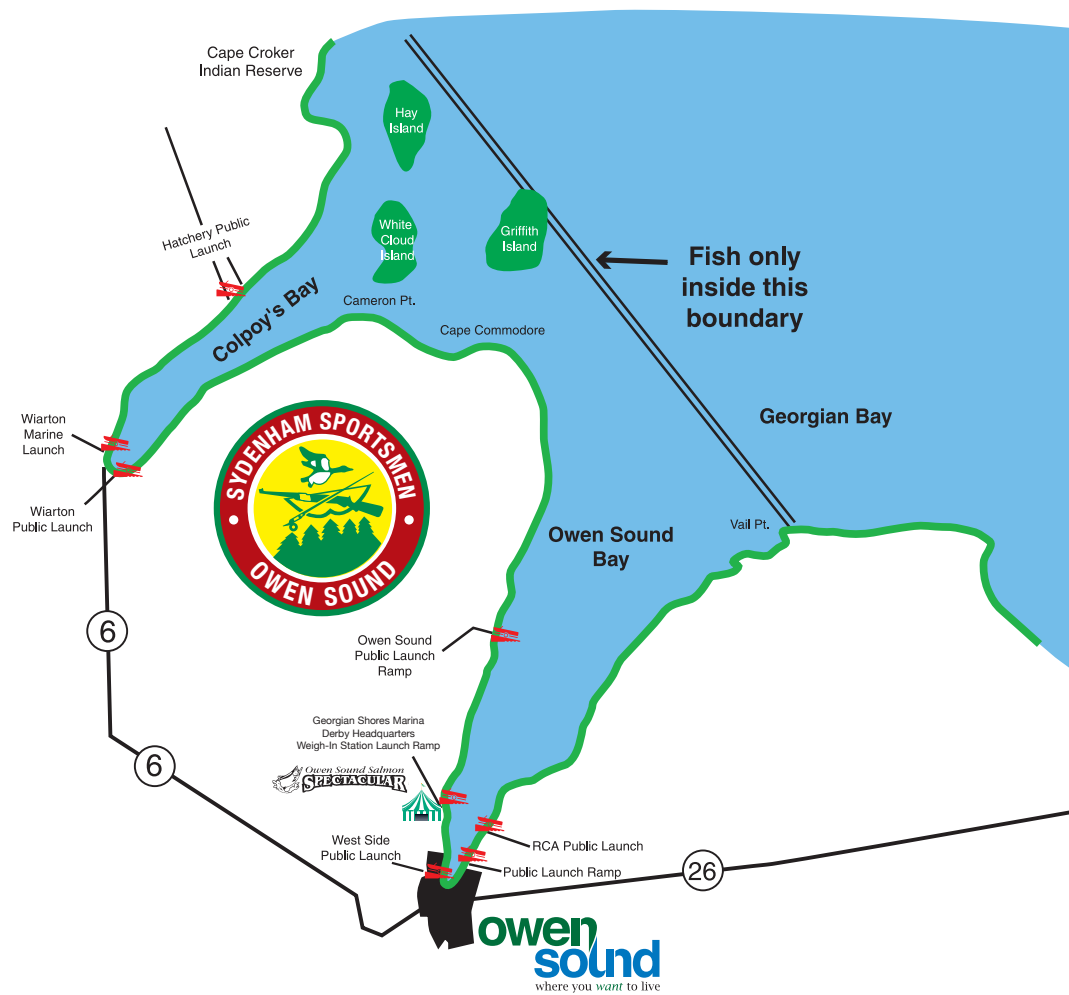

We also have to thank all of our volunteers. I know you hear that every year, but we never get tired of saying it and we never take our sponsors or volunteers for granted.

On behalf of the sponsors, the membership of the Sydenham Sportsmen's Association, the Salmon Spectacular Committee and my fellow co-chairs John Ford and Fred Geberdt, we extend greetings and best wishes and hope that you enjoy your time spent at this year's Owen Sound Salmon Spectacular.

Mike Prevost, Fred Geberdt & John Ford
Derby Co-Chairs

3. A contestant may only enter the number of fish permitted by the daily creel limit in any one day (no matter when caught).
4. Each contestant upon registering to compete in the OWEN SOUND SALMON SPECTACULAR™ agrees to hold the sponsors, organizers, their agents and employees harmless from any liability of any nature and kind for any injuries and/or damages suffered during or after the period of the contest, by entrants.

6. Tickets purchased during the derby are not valid for participating in the derby on the day of sale. (A Derby ticket becomes valid the day after it is purchased!)
7. Family tickets are available for all members of the immediate family, including children 17 years of age and under. (Children's age is determined as of the date of ticket purchase).
8. The participant agrees that the decision of the Officials is to be final on all matters.

FISHING

9. Participants must angle only in the waters of Georgian Bay stretching from the downstream side of 10th Street bridge on the Sydenham River and the walking bridge on the Pottawatomi River at Kelso Beach, and out to Vail's Point on the east and Hay Island on the west. The derby waters include all of the Owen Sound Harbour, Owen Sound Bay and Colpoys Bay.
10. Fish caught only after legal derby registration, and caught within the boundaries per rule #9, and caught during the OWEN SOUND SALMON SPECTACULAR™ (see Rule 1.) may be entered.
11. Only fish that are whole (not gutted) may be entered. Fish with a snag or foul hook mark, gaff or gill net mark, even if caught legitimately, will not be accepted. Previously frozen fish may not be entered.
12. Entrants fishing from boats must ensure that all other occupants of their boat, regardless of age, are entered in this event, and be eligible to enter fish (refer to Rule 6.). Entrants must fish with only one rod per person at any time.
13. Participants agree to allow official representatives of the derby to inspect their boats to ascertain that all occupants are entered, and that all persons in the boat are holding a valid ticket.
14. Participants agree that the organizers may, at their discretion, hold any fish for biological examination and testing. Therefore, any related prizes will not be released until such testing is completed.

FISH ENTRY (WEIGHING IN)

15. Fish will only be weighed at the Official Weigh-In Station at the Georgian Shores Marina. The weigh-in station will be open from 10:00 a.m. to 10:00 p.m. daily, except the last day of the Derby, when it will close promptly at 12:00 Noon. Fish will not be weighed outside of the times indicated, except those entrants who are waiting in line by closing time will be allowed to have their fish weighed after closing time.
16. Salmon and Trout (Rainbow, Brown, and Lake Trout) must weigh a minimum of three (3) pounds (1.36 Kg), to be eligible for entry in the OWEN SOUND SALMON SPECTACULAR™. A printed receipt will be issued for each fish entered.
17. All participants entering a fish must sign the official entry book at the end of the weigh-in station. By signing the entry book you are stating that you agree with all the registration information regarding yourself and the fish you are entering (species, weight) that is shown in the official weigh-in station records, and the receipt.
18. Each entered fish will have its gill plate punched, to prevent re-entry.
19. Owen Sound provides the angler with clean water and edible game fish. Any angler found guilty of wasting his catch will be disqualified from the OWEN SOUND SALMON SPECTACULAR™. Any angler disqualified for this reason will have all prizes forfeited.

PRIZES

20. One Random Daily Prize will be drawn for each of the categories (i) male, (ii) female (iii) child (age 17 and under). The weigh-in station computer will draw by random selection for each fish entry. Prizes presented at end of Derby.
21. The Derby has various random draws throughout the event for prizes.
22. Two Grand Prizes will be awarded; One to the entrant entering the heaviest Salmon, and the other entering the heaviest Trout.
23. All Prizes must be accepted as awarded. The Grand Prizes must remain painted as presented for at least one year from presentation.
24. Both Grand Prize Winners will receive a replica mount by Advanced Taxidermy. The winners, in accepting these prizes, agree to allow the Sydenham Sportsmen's Association unlimited use of said mounted fish for promotional purposes until September 1, 2016.
